PUBLIC SESSION - Ten Minute Rule

There is an opportunity for members of the public to speak on matters which affect the full council at the beginning of the Council meeting under an item called the Ten Minute Rule.

If you wish to attend and speak, we would be grateful if you would note the following:

- Any resident of the Parish may ask to speak during the Ten Minute Rule;
- Only one person can speak on any given topic at any meeting;
- The normal time allowed will be a total of 10 minutes, but the chairman may vary depending on number of speakers wishing to address the council;
- The Council undertakes to listen to the speaker, and may ask questions for clarification;
- it does not undertake to answer questions raised during the same session;
- The more notice given, the more specific any questions are and the more clearly an issue is described, the more likely it is that the Council will be able to provide an answer;
- Any written materials available can be submitted at least 24 hours before the meeting to the Executive Officer for circulation to council.
