

**HOOK PARISH COUNCIL
DO YOU FEEL HOOK IS A SAFE PLACE TO LIVE?**

Hook is growing and with the increase in housing and population our community will face new challenges into the future. Like many other places, Hook has been a target for a small amount of criminal activity and antisocial behaviour. The Parish Council has set up a Community Safety Working Group, established to help understand the type of unsolicited activities which are of concern to residents and to look at ways of ensuring Hook remains a safe and enjoyable place to live.

We would appreciate a few minutes of your time in completing the following questionnaire. You can also complete this online via our website at: www.hook.gov.uk

Please note: this survey is per person, not per household. Additional copies can be downloaded from our website and submitted by e-mail to: info@hook.gov.uk or posted to the **FREEPOST** address.
