

Children's Play Areas

The Parish Council own and maintain seven children's playgrounds (numbers 1-7). There are also two playgrounds that are currently owned and maintained by the Housing Developers that built them (numbers 8 & 9).

We have provided the nearest postcode and what3words address to help you locate them.

Please be aware that we have a very high water table in this area and after heavy rain those playgrounds with sunken trampolines sometimes fill with water.
